

DSA and Platform Regulation Conference Day 1 – Monday 16 February 2026	
8.30 - 9.15	Registration
9.15 - 9.30	Opening remarks Joris van Hoboken (Institute for Information Law, University of Amsterdam)
9.30 - 10.30	Plenary Panel - Risks, Rights, and Platform Accountability Speakers: Asha Allen (CDT Europe), Robert Spano (Gibson Dunn), Peter Chapman (Knight-Georgetown Institute), Rachel Griffin (Compliant and Accountable Systems Group, University of Duisburg-Essen) Moderator: Martin Husovec (London School of Economics)
10.30 - 11.00	Coffee Break
11.00 - 12.15	Breakout Session 1

	Access to Data for Vetted Researchers  A3.15	The DSA's Global Reach  A5.24	Rights, Risks, and the Rule of Law  A3.06-07	Multistakeholder Governance  E0.14	Deceptive Design  E0.15
	<p>Understanding researchers' needs in Article 40(4) DSA data access: what did the Delegated Act respond to and what remains unaddressed? — <i>Mathis Rodriguez, University of Lausanne</i> — <i>Luka Bekavac (Presenting), University of St. Gallen</i> — <i>Alice Palmieri, University of Lausanne</i> — <i>Aurelia Tamò-Larrieux, University of Lausanne</i></p> <p>Where the rubber hits the road: what's holding back DSA researcher data access efforts and what can be done to boost platform accountability and transparency? — <i>Mark Scott (Presenting), Atlantic Council</i> — <i>Anna Marchese, Columbia University</i></p>	<p>DSA meets World: How the "comprehensive digital censorship law" actually impacts global regulation on digital services — <i>Matthias Kettemann, Humboldt Institute for Internet and Society</i></p> <p>The Global Reach of the Digital Services Act: Lessons from Turkey's Implementation of Transparency Report Rules — <i>Muhammed Fatih Taşçı, Fatih Sultan Mehmet Vakıf University</i></p> <p>Aligning with and Departing from the DSA: Canada's Online Harms Experiment — <i>Emily Laidlaw (Presenting), University of Calgary</i> — <i>Taylor Owen, McGill University</i></p>	<p>The Blurring of the Public-Private Dichotomy in Risk-Based EU Digital Regulation: Challenges for the Rule of Law — <i>Charlotte Ducuing (Presenting), KU Leuven</i> — <i>Andrea Palumbo, KU Leuven</i></p> <p>Rights vs risks: the DSA as a mandatory human rights due diligence instrument — <i>Stefania Di Stefano, Cnam</i></p> <p>Reasonable, Effective, Proportionate: insights on risk mitigation and respect for freedom of expression from five years of Oversight Board cases — <i>Andrew Smith (Presenting), Oversight Board</i></p>	<p>Building public accountability and transparency in digital platform governance: the functions of regulatory intermediaries under the EU Digital Services Act — <i>Philipp Darius, Hertie School</i></p> <p>Unlocking the Transparency Potential of the DSA: Key Takeaways from the event 'Hack the DSA' — <i>Suzanne Vergnolle (Presenting), Cnam</i> — <i>Stefania Di Stefano, Cnam</i></p> <p>Who speaks and who is heard? Civil society participation and participatory justice in DSA systemic risk</p>	<p>Dark Patterns and the EU Digital Services Act: Mapping Autonomy Violations and Design Factors — <i>Johanna Gunawan (Presenting), Maastricht University</i> — <i>Sanju Ahuja, Inria Centre at Université</i> — <i>Nataliia Bielova, Inria Centre at Université Côte d'Azur</i> — <i>Cristiana Santos, Utrecht University</i></p> <p>Addictive design as a systemic risk under the Digital Services Act: an analysis of VLOPSEs' risk assessments — <i>Cecilia Isola, University of Genoa</i></p>

	<p>— Daniela Stockmann, <i>Hertie School</i></p> <p>— Thomas Asher, <i>Columbia University</i></p>		<p>— Dumitru Sliusarenco, <i>Oversight Board</i></p>		
	<p>Platform Datasets: Challenges, Insights, and Examples for Researchers under Article 40 of the Digital Services Act</p> <p>— Jeff Allen (<i>Presenting</i>), <i>Integrity Institute</i></p> <p>— Matt Motyl, <i>Integrity Institute</i></p> <p>— Spencer Gurley, <i>Integrity Institute</i></p> <p>— Sofia Bonilla, <i>Integrity Institute</i></p>	<p>The rise of systemic risk obligations in Brazilian platform regulation: a tale of influence, divergence and complementarity</p> <p>— Nicolo Zingales (<i>Presenting</i>), <i>FGV</i></p> <p>— Marina Lucena, <i>FGV</i></p>	<p>Governing Platforms through Risk: A Critical Reading of the First DSA Systemic Risk Reports</p> <p>— Magdalena Jóźwiak, <i>University of Amsterdam</i></p>	<p>management</p> <p>— Mateus Correia de Carvalho, <i>European University Institute</i></p>	<p>Dark Patterns on Online Platforms: The Interplay Between the Digital Services Act (Art. 25) and the Unfair Commercial Practices Directive</p> <p>— Benjamin Raue, <i>Trier University</i></p>
	<p>Considering the Rival Nature of Data in Data Access Requests</p> <p>— Ayelet Gordon-Tapiero (<i>Presenting</i>), <i>Hebrew University</i></p> <p>— Muhammad Saad, <i>Georgetown University</i></p> <p>— Katrina Ligett, <i>Hebrew University</i></p> <p>— Kobbi Nissim,</p>			<p>Shared Responsibility, Unequal Power: Mapping the limitations of multi- stakeholderism in EU’s digital governance</p> <p>— Charis Papaevangelou (<i>Presenting</i>), <i>University of Amsterdam</i></p> <p>— Sabrina Kutscher, <i>Tilburg University</i>,</p> <p>— Natali Helberger, <i>University of Amsterdam</i>,</p> <p>José van Dijck, <i>University of Utrecht</i></p> <p>— Thomas Poell, <i>University of Amsterdam</i></p>	<p>Dark Patterns’ Double Darkness and How Its Undertheorization Hampers Regulation and Enforcement</p> <p>— Marijn Sax, <i>University of Amsterdam</i></p>

Georgetown University

**From Access to Data
Management: Research
Infrastructure as the Missing
Link in Platform Data Access
under the DSA**

— *Olivier Rouquette*

(Presenting),

*GESIS - Leibniz Institute for the
Social Sciences*

— *Yannik Peters,*

*GESIS – Leibniz Institute for the
Social Sciences*

— *Katrin Weller,*

*GESIS - Leibniz Institute for the
Social Sciences*

— *Sebastian Stier,*

12.15 - 13.00	Lunch				
13.00 - 13.45	Keynote: Prabhat Agarwal (DG Connect, European Commission)				
13.45 - 14.15	Coffee Break				
14.15 - 15.30	Breakout Session 2				
	Out-of-Court Dispute Settlement 📍 A3.15	User Rights and Reporting Mechanisms 📍 A5.24	Systemic Risks: Boundaries and Blind Spots 📍 A3.06-07	Enforcement and Platform Governance 📍 E0.14	Social Media Advertising and Consumers 📍 E0.15

	Fundamental Rights in Out of Court Dispute Settlement under Article 21 DSA — <i>Hannah Ruschemeier (Presenting), University of Osnabrueck</i> — <i>João Pedro Quintais, University of Amsterdam</i>	Between Click and Consequence: An Evaluation of Platform Reporting Procedures for German Online Users on X, TikTok, Instagram, and Facebook under Article 16 of the Digital Services Act — <i>Lena-Maria Böswald (Presenting), Interface</i> — <i>Corinna Dolezalek, Das NETTZ</i> — <i>Pablo Jost, Johannes Gutenberg-Universität Mainz</i> — <i>Ursula Kristin Schmid, Ludwig-Maximilians-Universität München</i>	Reimagining Article 36: Chronic Digital Repression and Palestinian Voices in Europe — <i>Tom Divon, The Hebrew University of Jerusalem</i>	Governance by Emulation: The Oversight Board, the Digital Services Act, and the Struggle for Platform Governance — <i>Moritz Schramm, New York University</i>	The regulation of social media commerce under the DSA: A consumer protection perspective — <i>Laura Aade, University of Luxembourg</i>
	Diversities and discrepancies: Procedural Fairness in DSA Out-of-Court Dispute Settlement — <i>Andrej Krištofík (Presenting), MUNI</i> — <i>Ondřej Woznica, MUNI</i> — <i>Matěj Myška, MUNI</i>		Blind spots of the DSA? Operationalizing gendered disinformation as a systemic risk — <i>Martha Stolze (Presenting), Weizenbaum Institute</i> — <i>Rachel Griffin, Sciences Po</i> — <i>LK Seiling, Weizenbaum Institute</i> — <i>Philipp Darius, Hertie School</i>	Enforcing Platform Regulation: Conflicts and Pathways in the EU — <i>Giovanni De Gregorio (Presenting), Universidade Catolica Portuguesa</i> — <i>Anna Vicinanza, Università di Bologna</i>	A promise of transparency: Governance of commercial content disclosure through the Digital Services Act — <i>Taylor Annabell (Presenting), Utrecht University</i> — <i>Catalina Goanta, Utrecht University</i>
	The implementation of article 21 DSA on Out-of-Court Dispute Settlement: first reflections, challenges, and possible solutions — <i>Yuliya Radanova (Presenting), ADR Center</i> — <i>Leonardo D'Urso, ADR Center</i>	User Rights Under Pressure: Shortcomings and violations of Art. 16, 20 and 21 DSA — <i>Franziska Benning (Presenting), HateAid</i> — <i>Josephine Ballon, HateAid</i>	On the boundaries of risk-bound research — <i>LK Seiling, Weizenbaum Institute</i>	Indirect Harmonisation through Criminal Compliance under the Digital Services Act: Systemic Risks, Private Actors, and the Redefinition of Illegal Content — <i>Beatrice Panattoni, University of Luxembourg</i>	Bridging the Gap Between Legal Intent and Algorithmic Reality: Empirical Evidence of Profiling-Based Commercial Communications to Minors on Social Media Platforms — <i>Sara Solarova (Presenting), Kempelen Institute of Intelligent Technologies</i>
	Making the DSA work – effective enforcement of user	Out-of-court dispute settlement (ODS) bodies under the Digital Services Act: A new frontier for legal mobilisation?	Climate disinformation and the DSA’s systemic risk framework — <i>David Kaye, University of California, Irvine</i>	Empowering the Enforcers in the Digital Age — <i>Rūta Liepiņa, University of Bologna</i>	— Matúš Mesarčík, Kempelen Institute of Intelligent Technologies— Ivan Srba, Kempelen Institute of Intelligent Technologies

	rights through out-of-court dispute settlement — Niklas Eder, <i>User Rights</i> — Hannah Ruschemeier, <i>University of Osnabrueck</i>	— Valentina Golunova, <i>Maastricht University</i>	Services Act — Rafael Bezerra Nunes, <i>European University Institute</i>		Online behavioural advertising, consumer empowerment and fair competition: Are the DSA transparency obligations the right answer? — Martin Senftleben (<i>Presenting</i>), <i>University of Amsterdam</i> — Elena Izyumenko, <i>University of Amsterdam</i>
	The Role of ODS Bodies in enhancing user rights and providing crucial data — Thomas Hughes (<i>Presenting</i>), <i>Appeals Centre Europe</i> — Sophie-Charlotte Walter, <i>Appeals Centre Europe</i>				

15.30 - 16.00	Coffee Break and Poster Setup (for poster presenters)
16.00 - 16.45	Academic Keynote: Paddy Leerssen (Institute for Information Law, University of Amsterdam)
16:45 – 18:00	Plenary Panel – Platform Power, Markets, and Democracy Speakers: Martijn Snoep (ACM), Anna Gerbrandy (Utrecht University), Thomas Höppner (Geradin Partners), Mark Dempsey (Article 19) Moderator: Natali Helberger (Institute for Information Law, University of Amsterdam)
18.00 - 20.00	Reception, Walking Dinner, and Poster Session in De Brug
	Poster Session: The DSA’s Risk-Based Approach

	<p>The Delineation of Disinformation as a Risk Object in Systemic Risk Assessment Reports of Very Large Online Platforms — Isabel Kusche, University of Bamberg</p>	<p>What scientific research programme does DSA Article 40 enable? — Przemyslaw Grabowicz (Presenting), University College Dublin, Dublin, Ireland — Alistair Knott, Victoria University of Wellington — Dino Pedreschi, University of Pisa — Susan Leavy, University College Dublin — David Eysers, University of Otago — Andrew Trotman, University of Otago, Dunedin, New Zealand</p>	<p>Imagining better platforms: the role of simulations in platform governance from theoretical and regulators' perspective — Max van Drunen (Presenting), University of Amsterdam — Natali Helberger, University of Amsterdam</p>	<p>Assessing Systemic Risks under the DSA: A Methodological Framework Applied to Asymmetric Amplification in the Context of Elections — Anna Katzy-Reinshagen (Presenting), Institute for Strategic Dialogue — Jan Beyer, Institute for Strategic Dialogue — Beatriz Saab, Institute for Strategic Dialogue</p>	<p>The Polarization Footprint, a methodology to measure societal divides on social media — Luke Thorburn (Presenting), King's College London, Build Up — Helena Puig Larrauri, Build Up — Caleb Gichuhi, Build Up — Allan Cheboi, Build Up — Guy Banim, Build Up</p>
	<p>Platform badges for civic communication: An interdisciplinary discussion of a risk mitigation measure pursuant to Art. 35 DSA — Jan Rau (Presenting), Leibniz-Institute for Media Research — Jan-Ole Harfst, Leibniz-Institute for Media Research — Tobias Mast, Leibniz-Institute for Media Research</p>	<p>DSA Audits: What are they good for? Evaluating the first audit cycle under Article 37 of the Digital Services Act — John Albert, University of Amsterdam</p>	<p>DSA reporting requirements as an early warning system: do we actually get more accountability? — Ann-Kathrin Watolla (Presenting), Humboldt Institute for Internet and Society — Jella Ohnesorge, Humboldt Institute for Internet and Society</p>	<p>Measuring the State of Online Disinformation in Europe: First Structural Indicators under the DSA Framework — Emmanuel Vincent (Presenting), Science Feedback / Sciences Po — Daiana Crisan, Science Feedback</p>	<p>Managing risks is a risky business - the political economy of risk based regulation in the EU — Balazs Bodo, University of Amsterdam</p>

Day 2 – Tuesday 17 February 2026					
09.00 - 09.15	Walk in				
09.15 - 10.30	Breakout Session 3				
	The DSA and the DMA 📍 A3.15	DSA Categories and Designations 📍 A3.01	Systemic Risks and Protection of Minors 📍 A5.24	National Implementation and Enforcement 📍 A2.12	
	Big Tech Tactics under the DSA and DMA: From Contestation to Compliance <i>— Inge Graef (Presenting), Tilburg University</i> <i>— Pratiksha Ashok, Tilburg University</i> <i>— Friso Bostoen, Tilburg University</i> Squaring the circle with the DSA’s antitrust aspects <i>— Katarzyna Klafkowska</i>	In or out? AMAR (active monthly average recipients), VLOP/VLOSE designation, and the risk of regulatory capture under the DSA <i>— Marie-José Garot, IE University</i> What is an online platform? Categorising WhatsApp’s and Telegram’s group chat and channel functionalities under	Supporting minors in addressing illegal content within restricted-access platforms: a DSA and data protection law perspective <i>— Daniele Sborlini, Università di Bologna</i> Mind the Gap: Age Assurance and its Enforcement under EU Law	National Implementation and enforcement frameworks of the Digital Services Act across the European Union Member States <i>— Tomás Agustín Alassia Sarmiento, Comisión Nacional de los Mercados y la Competenci</i>	

	<i>Wasniowska (Presenting), Adam Mickiewicz University</i> — <i>Miłosz Malaga, Adam Mickiewicz University</i>	the DSA — <i>Sarah Eskens, Vrije Universiteit Amsterdam</i>	— <i>Jessica Galissaire, Interface</i>	A Framework for the Risk Assessment of Non-VLOPSE Intermediary Services under the DSA	
	EU Big Tech Laws: An Emerging Public Utilities Regulation — <i>Alexandre de Streel, University of Namur</i>	The DSA and its far-reaching implications for adtech and online advertising — <i>Frederik Zuiderveen Borgesius (Presenting), Radboud University</i> — <i>Pieter Wolters, Radboud University</i>	From Safeguarding to Softening? How the Commission’s Minors’ Guidelines Retreat from the DSA’s Promise of Stronger Data Protection — <i>Julian Morgan, Humboldt University Berlin</i>	— <i>Petra Macková (Presenting), Council for Media Service, Slovakia</i> — <i>Andrea Horváthová, Council for Media Services, Slovakia,</i> — <i>Miloš Kanjak, Council for Media Services, Slovakia</i>	
	Systemic risks to media pluralism – where the DSA and DMA meet again — <i>Sally Broughton Micova, UEA</i>	Pixels and Paragraphs: Is the DSA Fit for Effectively Governing Gaming Platforms? — <i>Kinga Sorban, Ludovika University of Public Service</i>	Systemic in Name Only? Assessing Reported Systemic Risks to Minors under the DSA — <i>Alice Palmieri (Presenting), University of Lausanne</i> — <i>Tobias Mahler, University of Oslo</i> — <i>Aurelia Tamò-Larrieux, University of Lausanne</i>	— <i>Jakub Rybár, Council for Media Services, Slovakia</i> — <i>Katarína Drevená, Council for Media Services, Slovakia</i> — <i>Romana Kontírová, Council for Media Services, Slovakia</i>	
		Intermediaries or non-intermediaries? Legal uncertainty in the categorisation of music streaming services and the application of transparency rules under the DSA — <i>Aline Iramina, University of Glasgow</i>		Regulatory cooperation between DSA and GDPR supervisory authorities: a good administration and judicial remedy appraisal — <i>Nissim Picard, Maastricht University</i>	

				<p>Ireland’s Online Safety Code for Video-Sharing Platforms: A (Country-of) Origin Story — <i>Stephen King,</i> <i>A&L Goodbody LLP</i></p>	
--	--	--	--	--	--

10.30 - 11.00	Coffee Break				
11.00 - 12.15	Breakout Session 4				
	Private Enforcement 📍 A3.15	Disinformation and Decentralized Governance 📍 A3.01	Researcher Access to Public Data 📍 A5.24	Auditability and Observability 📍 A2.12	User Agency and Accessibility 📍 A2.13

	Contractual or Non-Contractual? The Difficult but Necessary Qualification of Disputes Arising from the DSA Regarding its Private Enforcement — Rosa Pla Almendros, University of Valencia	The Digital Services Act, Wikipedia, and Election Disinformation Regulation — Ronan Fahy (Presenting), University of Amsterdam — Gabriela Trogrlić, University of Amsterdam — Joris van Hoboken, University of Amsterdam — David Abella, Eurecat - Centre Tecnològic de Catalunya — David Laniado, Eurecat - Centre Tecnològic de Catalunya	From Promise to Practice: Evaluating Research Data Access Under the DSA — Salvatore Romano (Presenting), AI Forensics — Martin Degeling, AI Forensics — Natalie Kerby, AI Forensics, — Miazia Schueler, AI Forensics, — Natalia Stanusch, AI Forensics — Raziye Buse Çetin, AI Forensics	Designing for Accountability: Legal Design and Auditability of Platform Obligations under the Digital Services Act — Marie-Therese Sekwenz, TU Delft	Breaking the Loop: Exploring User Agency in Escaping Algorithmic Rabbit Holes on Social Media — Dorota Głowacka (Presenting), Panoptikon Foundation — Piotr Sapieżyński, Northeastern University — Luka Bekavac, University of St. Gallen, — Max Bielecki, SWPS University, — Konrad Maj, SWPS University
	Private enforcement of the Digital Services Act (DSA) — Anna Van Duin (Presenting), University of Amsterdam; — Paddy Leerssen, University of Amsterdam — Joris Van Hoboken University of Amsterdam	Community-based content moderation and compliance challenges: Wikipedia’s banned sources policy as a response to disinformation —	Beneficial Content Scraping and the GDPR —Daphne Keller, Stanford	Towards Observability in Content Moderation: A Legal-Technical Proposal under the DSA — Alexandros Alevizopoulos, King’s College London	Auditing Recommender Systems for User Empowerment in Very Large Online Platforms under the Digital Services Act — Matteo Fabbri, University of Amsterdam
	Bits of Freedom (Netherlands)			Auditing Risks of Platforms in Use: A User Side Observability Agenda for the DSA — Claire Stravato Emes, Sciences Po	Am I user-friendly enough? Mapping Platform Policies’ Accessibility under Article 14(1) of the Digital Services Act — Thi Ngoc Anh Nguyen, Human Rights Centre, Università di Padova
	Gesellschaft für Freiheitsrechte (GFF) (Germany)	Trusted Content Creators — Martin Husovec, London School of Economics and Political Science (LSE)		Transparency by Inquiry: Using Middleware to Strengthen the DSA Framework — Niva Elkin-Koren (Presenting), Tel Aviv University — Shlomi Hod, Weizenbaum Institute	
		Beyond Platform Capitalism: Developing Commons-Based Digital Governance to Address Media Literacy Crises - The Case of Bulgaria — Keith Peter Kiely			

		<p><i>(Presenting), Sofia University (GATE)</i></p> <p><i>— Iglia Ivanova, Sofia University (GATE), Sofia, Bulgaria</i></p>		<p><i>— Maayan Perel, Netanya Academic College</i></p> <p><i>— Yonatan Lourie, Tel Aviv University</i></p>	<p>Shadowbans on Trial: Vandendriessche v. Meta and the Future of User Rights Enforcement</p> <p><i>— Babette De Naeyer, Universitat Pompeu Fabra</i></p>
--	--	---	--	--	--

12.15 - 13.00	Lunch				
13.00 - 14.00	Plenary Panel: Platform Regulation and AI Speakers: Michael Veale (UCL), Natali Helberger (University of Amsterdam), Seda Guerses (TU Delft), TBC Moderator: João Quintais (Institute for Information Law, University of Amsterdam)				
14.00 - 14.30	Coffee Break				
14.30 - 15.30	Breakout Session 5				
	AI and the DSA 📍 A3.15	Geopolitics of Platform Regulation 📍 A3.01	Systemic Risks: Elections and Foreign Influence 📍 A5.24	Content Moderation 📍 A2.12	Workshop on Access to Data under 40(4) 📍 A2.13
	What the DSA and the AI Act can do about deceptive design and subliminal techniques: The case of LLM-powered advertising agents — Alice Baroni (Presenting),	The Maths and Politics of Centralised Enforcement: A Collective Learning Process? — Anna Morandini, European University Institute	Putting the DSA’s systemic risk regulation to the election test. How the DSA fared as a tool to manage risks to election integrity and civic	The Struggle for Content Moderation Transparency: Comparing Voluntary and DSA-Mandated Reports — Débora Salles (Presenting), NetLab UFRJ	(Details TBC)

	<i>University of East Anglia</i> — Sally Broughton Micova, <i>University of East Anglia</i> — Daniela Jimenez, <i>University of East Anglia</i>	The Trump Effect on DSA Enforcement & Content Moderation — Berin Szóka, <i>Dublin City University</i>	discourse in recent European elections. — Luise Quaritsch, <i>Hertie School</i>	— Bruno Mattos, <i>NetLab UFRJ</i> — R. Marie Santini, <i>NetLab UFRJ</i>	
	From Curation to Creation? Generative AI and Content Moderation at the Intersection of the DSA and the AI Act — Marco Bassini (Presenting), <i>Tilburg University</i> — Giovana Lopes, <i>Tilburg University</i>	The invisible risk. State Power and Freedom of Expression Under the DSA — Agustina Del Campo (Presenting), <i>Universidad de Buenos Aires</i> — Nicolás Zara, <i>Universidad de Buenos Aires</i> — Ramiro Álvarez Ugarte, <i>Universidad de Buenos Aires</i>	Assessing Platform Responses to Reports of Illegal and Terms of Service-Violating Content: A Methodological Framework and Preliminary Cross-Platform Findings from One Year of Monitoring — Francesca Arcostanzo (Presenting), <i>Institute for Strategic Dialogue</i> — Jan Beyer, <i>Institute for Strategic Dialogue</i>	The DSA Transparency Database: lifting the veil over content moderation, or castle in the sky? A critical assessment of the DSA Transparency Database and its effectiveness in enabling scrutiny over content moderation decisions — Eline Leijten, <i>Vrije Universiteit</i>	
	From ‘Googling’ to ‘Asking ChatGPT’: the Regulation and Moderation of AI-Powered Search — Raziye Buse Çetin (Presenting), <i>AI Forensics</i> — Natalia Stanusch, <i>University of Amsterdam</i> — Salvatore Romano, <i>AI Forensics</i> — Marc Faddul, <i>AI Forensics</i>	An Infrastructural Faustian Pact: The Limits of European Platform Regulation — Gianmarco Cristofari, <i>University of Palermo</i>	The DSA in the Face of Foreign Information Manipulation and Interference (FIMI): Criminalization, Monitoring, and Sanctioning through Structured Technical Traceability — Carlos Galán (Presenting), <i>Universidad Antonio de Nebrija</i> — Javier Valencia, <i>Universidad Antonio de Nebrija</i>	From Practice to Principle: Developing a Code of Conduct for (Semi-)Automated Content Moderation — Maurice Stenzel (Presenting), <i>Humboldt Institute for Internet and Society</i> — Matthias Kettemann <i>Humboldt Institute for Internet and Society</i> — Katharina Mosene,	
	Regulating Deepfakes under the Digital Services Act — Lea Katharina Kumkar (Presenting), <i>Universität Trier</i> — Nicolaj Feltes,				

	<i>Institute for Digital Law Trier (IRDT)</i> The DSA and the AI ecosystem: search and information retrieval revisited — Sebastian Schwemer (Presenting), BI Norwegian Business School / University of Copenhagen — Tobias Mahler, University of Oslo		War Influencers in the EU Legal Framework: How the Digital Services Act Applies to Conflict-Related Content — Sara Gallone, Università di Bologna	<i>Humboldt Institute for Internet and Society</i> — Philipp Mahlow, Humboldt Institute for Internet and Society — Daniel Pothmann, Humboldt Institute for Internet and Society — Sarah Spitz, Humboldt Institute for Internet and Society The Making of Content Moderation Norms in the Digital Public Sphere: The Normative Effects of Content Moderators' Work — Clément Le Ludec (Presenting), Télécom Paris — Benjamin Loveluck, Université Paris-Panthéon-Assas	
--	---	--	---	--	--

15.30 - 16.00	Coffee break
16.00 - 17.15	<p>Plenary Panel: European Platform Regulation, Moving (it) Forward</p> <p>Speakers: David Kaye (UC Irvine), CnaM Ireland, Wolfgang Schulz (Leibniz Institute of Media Research Hans- Bredow-Institut, HIIG), European Commission (TBC)</p> <p>Moderator: Joris van Hoboken (University of Amsterdam)</p>
17.15 - 17.30	Closing remarks
